

## A PLEAD

By [admin](#) May 14, 2020

**O my Lord,**

**Lift me in your arms,**

**Your child is injured of the worldly pains,**

**Your child is ill of the loveless life.**

**O my Lord,**

**Lift me in your arms,**

**For travelling through darkness,**

**Burning the soul & self,**

**For Bones have turned to ashes**

**And Blood into tears,**

**Nothing is left,**

**Except the bits of broken heart.**

**O my Lord,**

**Lift me in your arms,**

**Please hear the plea of your child,**

**For its only you whose love can heal,**

**For you are the only aboard of your child,**

**For you are the only ray of light,**

**O Lord,**

**Lift me in your arms.**
