

GODLY MIRROR

By [admin](#) May 14, 2020

On the shores of a virgin Island,

I met an unimaginable figure.

Never seen, yet known.

Never touched, yet felt.

Never spoken to, yet heard.

Came with a godly mirror,

To reveal to me that eternal truth.

With the delight to know the ultimate,

Like a saint un-knotting the strings of life,

This yogic mirror surprised

And the image amazed,

As it was that figure,

Which was the image of mine !
