

MY BELOVED

By [admin](#) May 14, 2020

O Lord

How much I love him.

O lord

How much I miss him.

But look, my beloved enjoys teasing me.

O Lord,

All seems endless

All seems timeless

All becomes void without him,

But look, my beloved enjoys teasing me.

O Lord,

What should I do?

How should I make him believe,

That earnestly I love him,

And can't live without him.

Still, look, O my Lord,

He enjoys teasing me.

O Lord,

He is your ardent child,

He will listen to you,

Tell him, stop this teasing,

For you love me too,

Just like he loves me,

But look, O Lord, my beloved enjoys teasing me.
