**Oh, my friends !**

**Don't drag me..**

**Don't limit me...**

**Let me be natural**

**As I am the little angel of God.**

**Oh, my friends !**

**Don't bind me,**

**Don't cage me,**

**Let me be 'The Free'**

**As I am not merely yours,**

**As I am ultimately 'HIS'**

**Oh, my friends !**

**You should feel my plead,**

**As you are not what you are,**

**As you are also 'THEE'.**
